“ *So sorry about Chris, I've just hear about her passing after going to Pruitt's Tuesday, she was so sweet to my sister Joan, sharing a room together. I know she will be missed, but know she is in a great place with no pain!*

“ *I will always cherish my memories of Chris. My late Husband and I represented her through the issues arising from the tragic loss of Drew. She withstood the situation with such grace and dignity although her heart was broken. May she rest in peace.*

“ I am saddened of the loss of Chris, however I know she is pain free and in a much better place. I transported Chris to and from dialysis 3 days a week and I grew a great relationship with her. I will miss her dearly, but I cherish the moments I had with her. I would give anything to hear her say "Can I tell you that I love you?" one more time.
