“ *I am so sorry for your loss. I can only imagine how much your hurting for your loved one. I lost my Mother on this same day and to make matters worse my birthday was 2 days after she passed. All I can say is try to stay strong. In time, I know that with time our hearts will heal. Stay strong. May God bless you and your family at this time.*

“ We never got to calmly have that conversation we were supposed to. You will truly be missed and you gave me ones last pice of wisdom...nobody can fathom how quickly one's life can change and how quickly one's loved ones could leave us. Take no one, friend or kin for granted. We could wake up and they could be gone. We have to keep love in this crule and unfair world. I will miss that sassy woman I loved to argue with and laugh at other people with. Till we All meet up again but, for now rest easy & save us some seats. R.I.P Hazel.
