“ Worked with Chuck for many years at Rockwell/ Boeing in Duluth 17-25 years ago. I frequently think of him and how he could do anything asked, could adapt quickly, and very quickly became the best at what he was doing no matter what the assignment was. I am sure those working with him more recently observed the same traits. Very fast paced, high energy person with attention to detail that could not be matched. Will never forget his laugh, huge smile, and great personality. My prayers go out to all his family, I know he will be missed.

“ I was very sad to hear this news. Chuck was pleasure to work with. I still remember my first impression of him when I started at L-3. He moves fast, was very friendly, and worked hard. 2.5 years later I can say that first impression was right. I know he will be dearly missed at L-3 and I can only imagine the loss his family and friends are suffering. Chuck was the kind of person that can brighten your day you see him. I will miss you Chuck! Your family will be in our prayers.

“ Our thoughts and prayers are with Chuck's family at this very difficult time. I want them to know that Chuck left an impact on all of his coworkers. I was no different. Meghan Ellis, our daughter was trained by Chuck. She will greatly miss his smile, energy and friendship. I particularly loved his sense of humor and the lively discussion that we had. Knowing that Chuck was a christian, loved the Lord and lived his life for that purpose warms my heart because we know he is in a better place and one day, we will all see him again.

“ There are no words that can lessen the heartache of losing a dear family member unexpectedly. Wow, the memories from my childhood to my children's involving Chuck and the Smith family are very near and dear to my heart! Reunions in the cemetery, by a college campus, a senior citizens clubhouse... Chuck was always sure to help find us somewhere to play ball! He was always great with the kids! He will be truly missed by all! I love you all, my thoughts and prayers are with all the family.
