

Cindy Rickard

December 31, 1955 - July 2, 2024

It is with deep sorrow that we announce the death of Cindy Rickard, who left us on July 2, 2024, at the age of 68. Cindy was a wonderful wife and mother who was always there when we needed her the most, offering support, a listening ear, and unconditional love. No matter what she was going through she was able to stay positive. She was a beautiful person both inside and out. Words cannot express how much she will be missed and the void felt by her family. Cindy is survived by her husband Walter "Wally" Carter and daughter Crystal Rickard-Radgoski.

Private services will be held.
