“ *Cindy I already miss you. You were a great friend that I could talk to about anything for hours with out judgement. You helped me tremendously the first year after Katie was killed. We are all going to miss your Buford stories. You will be able to hug and kiss your infant baby girl whom you have talked about reuniting with when we talked about heaven. Please continue to show me the way and look out for my Kate until I get there. LKH*
