“ *Hello Carol, I regret that I was not able to come on Monday. She and I had lots to talk about and listen. I loved Ms Clara - she was always in good spirits. She had a truly life well lived and God's love will always be with her. May God be with you and comfort you and your family.*

It is our prayer that through this valley your thoughts and mind are comforted as you hold to our Saviors hand and be assured that Mom is at home, waiting for that glad reunion day. Heaven will be worth it all.*

“ *My condolences to you. I am going to miss your Mama. She was such a joy. She always asked me "Are you going to be my mama today?" when I came in to work. She had such a sense of humor. I loved talking with her.*

“ *Dear Carol and Family:*

We would like to extend our heartfelt prayers and condolences to your entire family. We loved Miss Clara and appreciate all she did for our mother while they were roommates at Limestone. She always had a joke for us and a smile. After mother passed away, we haven't had the opportunity to get by and visit like we wanted to. Heaven gained another angel yesterday we'll never forget.

Love,

Mary Hooper's Family

“ Carol, I am so sorry to hear about your mother. I know her and mother were glad to see each other again. Mother always loved her and thought she was lots of fun.
I didn't realize she was 99.
I want you to know that I'll be thinking of you during this time.
Unless I can get a ride, I won't be able to come because I'm not suppose to drive. It's been almost a year since my first surgery and couldn't drive.
I'll be there if there's anyway I can.
Love you sweet girl!
