“ My deepest condolences to the family. She was an angel that rescued me from the evil daycare center that used to be on Highway 20 in Buford when I was younger. She was a true blessing to me and my parents, John Henry and Barbara. I will always remember watching Days of Our Lives with her and her making me chicken noodle soup, because I was such a picky eater. The entire family treated me as their own and they've always held a special place in my heart. I truly wished I'd known earlier so I could've planned to attend the visitation tonight but know that I'm keeping Dwayne and everyone in my prayers.

What a wonderful spunky lady. Always smiling and having a good time. I remember when Roger, Deborah, Walter and I sang in a quartet. I was so happy to get to sing with them. Love your family and I know you and Roger are having a happy time now seeing all the splendor in Heaven. Have a great time until we see you again. Love you Marcelle Smith
