“ I am so sorry to hear about Kelly passing. I was a Suwanee Police Officer for many years and use to talk with him and his best friend, Buddy Robinson, almost everyday at the Chevron Gas station near the interstate while they scratched off lottery tickets hoping to win it big. His stories about working at GM or dancing at the VFW in Loganville use to have me in stiches laughing. Once again I'm so sorry for all your loss.

“ Kelly was such a unique person he could talk to anyone as if he had known them all his life. And he kept everyone laughing with his stories. I know Dale, Kevin and Pam as well as Christopher and Cassey will miss him greatly. But he will be in their hearts forever with precious memories. Jill always loved her Uncle Kelly. Kelly will be missed by so many people!!!
