“ *Buck and I became friends through a group of friends who loved to dance. We had so much fun together. We also enjoyed watching the Dawgs play and cheered them on win or lose. A lot of years have passed with many changes. RIP my friend. I will miss you along with many more.*

“ *I met Buck around 1995 and we became good friends. Buck was a smart man and in our many projects together, he was always a step or two ahead of me. Buck was a good guy and a great friend. I will miss Buck as so many others!*
