“ *Dear Mahaffey Family,
We are saddened to hear of Claude's passing, but we know he's in a better place now. He was a dear friend when we worked together at Hill Brothers and shared many good times together and laughs. We remember hearing his first message after he was called to preach as well.
Even though that was such a long time ago I still considered him a dear friend.
He was a good man!
May God comfort you all during this sad time. You are in our prayers!
Sincerely,
David & Elaine Hill*

“ Sis. Debbie, I wrote this poem a few years ago when a very dear friend of mine passed away. I hope its a blessing to you. My thoughts and prayers are with you and the family. Claude was such a sweet man and I know he will be missed by many, every day!

If I Had Known

*If I had known the last time I saw you
Would be the last time I'd see you,
I would have lingered a little longer,
And I would have looked back as I walked away.*

*If I had known the last time we talked
Would be the last time we'd talk,
I would have listened more intently
And hung on every word.*

*If I had known that the last time we hugged
Would be the last time we'd hug,
I would have held on tighter and
A whole lot longer.*

*If I had known the last time we kissed
Would be the last time we'd kiss
I would have kissed both cheeks
And I would have done it over & over again.*

*If I had known the last time I looked into your eyes
Would be the last time I'd look into your eyes
I would have looked a little deeper and
Never looked away.*

*If I had known the last time we said "I love you"
Would be the last time we'd say "I love you",
And I would have said it with much more passion
And not taken it for granted that you knew.*

*But I did not know,
that our last, would be our last
For God knew, that if I knew,
I would have never let you go.*
