“ *Clint was a fine man. Loved by many and he loved them right back. I worked with Pat at Scientific Atlanta many years ago. Sweet family. Toni was my insurance advocate for many years at Group Resources. You don't realize how small this world can be sometimes. Clint worked on my TVs and VCRs when they were messed up. Always a smile on his face to greet you any where you saw him. Prayers for the family and friends during this time.* ”

“ Dearest Pat, Please accept my sincerest condolences for Clinton’s passing. You both are good people and loved by your community. My mom, Geraldine Duncan, thought the world of you and Clint. I remember when she would visit your hair salon years ago. She always had kind words for you. Please know my thoughts and prayers are with you and your family. May GOD bless you today, tomorrow and always. And, may Clinton rest in eternal peace.
