“ *My condolences and love to Judy and the family at this time of sorrow. You will be in my prayers. I know it is hard to deal with him being gone, I know, I'm still going through it since Gene's death Christmas Eve. With God's help is the only way! I love you Judy and I was very fond of Clyde. I'm glad you two found happiness with each other for a long time..*

My deepest sympathy, Glenda
