“ *Our thoughts and prayers are with him and his family. I am thankful for his service to this country and this community. I loved hearing his stories and talking with him. His tomatoes were the best and he shared with the whole community. He once told my friend Keels and me when asked what is the secret to a long happy marriage, His words were "Knowing when to go outside!" He also asked after hearing all the financing options of buying a new car for Lorene "can I just pay cash?" Every year he would bring a watermelon to my daughter, Heidi who shared his birthday in celebration. Mr. Veal you will be missed and we are blessed to have known such a great man.*

“ *Dear Lorene,  
Please know my love, thoughts and prayers are with you. May God come very close to you, wrap His loving arms around you and help you through this sad time. I would be there for you in person, but can't due to the distance involved.*

“ I will truly miss Mr. Veal and our conversations in his yard while out walking my dog. He once gave me 3 blades that attached to his mule-driven plow which I now have nailed to the wall in my shed. I think of Mr. Veal every time I enter my shed to grab my lawn equipment.

*What a great man! Lorene, you remain in my thoughts and prayers.*
