“ Cody was a blessing in so many ways. I don't even know where to begin. I have knew him and Phyllis since I was 9 yrs old. This is still such a shock. Cody married my husband and I on June 25, 1994. I believe that was his first marriage he performed. I could not have have asked for a better man to a part of my life. I am glad to call you family. I will miss you dearly but never forget all of our memories of riding horses and everything you pushed me to strive for. Till we see you again my brother. I love you!

“ Our love and sympathy goes out to you and your family. We never got to know Cody but from all the good things said about him we know he was a very good person! We are friends of Megan and all her family! When our friends hurt, we hurt! Remember all the good times and know he is resting in heaven without pain!

“ You never realize all of the ways a person has touched your life until they are gone. When I spoke to Cody 6 weeks ago to fumble through telling him how much he impacted my life, and he told me that July was a rough month. All that he went through and he still kept his struggles and pain in perspective. I love you brother, and will see you again.

“ Thoughts and Prayers from the Wiggins family. I worked with Cody since 2008 and he not only was one of the best colleagues anyone could ask to work with but he became a great friend. Honest, loyal, hard-working, genuine are thoughts that come to mind. Most importantly, he was simply a good man who cared for others and always put others interest in front of his own. Forever grateful for his friendship and I'll miss him.

“ Cody was an outstanding man that I was honored to call a true friend. He and I met over 25 years ago as a customer who became a friend. I had the privilege to work with him and do a lot with him socially. He was always someone you could count on anytime. Getting to see him help officiate Austin's wedding was a true highlight of our friendship. He was definitely taken from us way too soon. He will always be in my heart and my memories.

“ *I wanted to be at Cody's memorial service, but will be on trip to Israel. Will come see you when I return. I know God's Love and grace is sufficient for all our needs, but this still hurts. Please give Austin and Megan and the rest of family my love. Will be praying for you in Israel as I walk where our Lord walked. I love you my friend!*
