Connie was one of the sweetest people that ever worked at AT&T. She was a ray of sunshine, always wearing a smile and ready to talk about her favorite subject..HER FAMILY! I know that she loved her nieces and nephews more than anything, right next to her parents and sister. She was so proud of each and every one of you. Ricky, I am sending prayers of comfort and peace your way. I am shocked and saddened to hear of her passing. Please know that I will be keeping you all in prayer and that Connie will always be remembered for her warmth and kind smile.
