“ *Dear Leach family, I am so sorry to hear about your loss. As your hearts are full of grief and pain, I pray that your family will draw comfort from the promise from God found in John 5:28, 29. Here we are assured that soon our loved ones will be resurrected back to life. May God prove to be your true source for strength and hope during this most difficult time.*

“ *To the family, your mom was a great and best friend to a lot of us that went to school with her. She had a sweetness to her that was very rare. She made me laugh, and put a smile on my face which was difficult. She was always there to listen and to give advice if I wanted it. She was one of the three musketeers, between Denise J and myself. We love her and I will think of her always, especially when I hear old songs, that remind me of those years we had together. Tabatha May God hold you and your family close, help you through this probably the hardest thing you have to go through in your life. Bless you and keep you in my thoughts and prayers.*
