“ *I will always remember Corey for the amazing person that he was. Every time I saw him he always said "Hello", and made sure he gave me a hug. I will always remember his gentle voice, warm smile, sensitive eyes, and big heart. He was s great musician and an awesome friend. My high school years would not have been all that they were without him. He will truly be missed, and forever in my heart. I will see you again one day love. God will comfort you now.*

“ Thank you for the memories I will cherish forever. I miss and love you very much. When I replay back our friendship I realized how much you impacted my life- little and big- the nickname you gave me in high school has been my Username for everything so I think of you everytime I log in to just about anything, I have friends that I would have never known if it hadn't been for you. Sometimes you drove me crazy but then you'd go and do something so sweet and thoughtful! One of my favorite memories is me, you and Ashley were driving down Taylor Road by the small lake there- you stopped the car right there in the road with all these cars behind us honking like crazy just to take the time to help these baby little ducklings who couldn't get up the curb. Thank you for being my friend. You will be missed. <3

Corey, you are my rock. My strongest man. I'm heartbroken. You meant the world to me. 16 years of wonderful memories. You have thought me so much! How to drive, how to pick myself up when I am down and to never, ever spray Lysol into a fan with someone sitting on the other side ;) I love you and will miss you forever - your Canadian chick XOXOXOXO
