“ *It is with great sadness that I learned today of the passing of Craig. I enjoyed the time I shared with Craig and his wife when we our paths crossed briefly.*

“ *Finally I collected enough courage to write this note but still could not convince my heart that this thing has happened and it's for real. Though I knew Craig after I joined Gwinnett Tech in 2012 but his friendly nature and positive attitude got connected with me and all in the class. He was very helpful, creative and fun loving person. He likes to crack jokes and makes the environment of the team always happy and exciting. It's so sad that he has left us and he will be in my account of my memory as a good friend from Georgia forever. He always called me "Mt Everest Guy "since I am a Nepali and he compared me with one of his son.*

I know his family is going through the great loss and I would like to send my heartfelt condolences to his entire family, relatives and loved ones. Let almighty give every support to heal from this process in the days ahead.

“ Tina & boys,
Wow, I am so sad to hear of Craig's passing. Way to young! I so remember MANY a Flowery Branch Football game. He was always so funny and so dedicated to supporting his boys. My daughter, Donna, was the manager and she always commented on how nice he was to her and how funny he was. Although I have moved from the area, I have never forgotten any of my FB family and friends. May God give you all peace during this time. Know that he made an impact on so many and now will watch over you all from above.

“ Tina and Family,
Derek, Nicole, and Ava
Nick, Brittany, & Family
Ty, Ruth, & Family
Linda S. Butler & Family

Our Thoughts and prayers are with each of you. We will miss Craig so much. We have so many great memories. We always enjoyed our times together as a family and will continue to enjoy good times, because Craig would want us to. We will miss Craig's sense of humor. We love each of you so much. We also want to share a poem that is dear to our hearts:

*God looked around his garden
and found an empty place;
He then looked down upon the earth
and saw your tired face.
He put his arms around you
And lifted you to rest;
God's garden must be beautiful
He always takes the best.
He knew that you were suffering,
He knew you were in pain,
He knew that you would never
Get well on earth again.
He saw the roads were getting rough
And the hills were hard to climb;
So he closed your weary eyelids
And whispered "peace be thine."
It broke our hearts to lose you,
But you didn't go alone,
For part of us went with you
The day God called you home.
Rest in Peace Craig Thomas Schnepfer.*
