“ The family of Mr. Curtis has lost a dear and sweet man. We have known very few people in our lives who compare to Curtis. We came to love him as one of our own family. And his frequent visits to our home will last in our memory. Our whole family, including the grandkids who truly loved him, grieve deeply. Our sympathies go out to the family, but he is now free of pain and we will pray for him. We will miss you Curtis very much.

“ We send our condolences at the loss of HC. We know how close you were to him and what he meant in your life. I met HC many times and really liked him. In fact, every time I eat popcorn, I think of HC. I know that sounds silly, but it is true. May he rest in peace along side your Mom. Again, we truly share with you the loss of HC.
