“ We had so much fun playing tennis with Curtis and Donna and the Buford City Park group. When Kevin was in town, he came out and played too. Curtis would drive us crazy with his spin shots which got him the nickname Spinney Finney. He got us with his shots and then make us laugh.

We also had fun going to Karaoke with Curtis and Donna. Curtis and Ken would get up there and sing "Big John" and they sounded pretty good.

Curtis was a good player, a good singer and a great person. And now he's an angel.

We love you and will miss you.

“ Curtis was one of a kind! He was always positive and happy to see us. Through the good and rough times, Curtis always looked at the positive side of things and was always there to listen. Terri and I always looked forward to seeing and spending time with Curtis and his family. He will always be in our thoughts.

“ I was Curtis's hairstylist for well over 20 plus years..Curtis and his beautiful family became more than a client base to me...I enjoyed our monthly visits and hearing about what was new in his life as he heard about mine.. He always got a laugh after I cut his hair and said "your handsome again.".He did have the nicest hair and the sweetest smile..He loved to videotape his outings and we would watch from his phone,especially the ones when Elvis came into town to perform..He loved that!! I am going to miss the sound of his voice when he called and our visits...May you fly with the angels pain-free as your reunited with your beloved daughter..You will be truly missed Curtis. ❤️
