“ We are truly saddened by the loss of Curtis. I've served with him for the past @10 years on the Host Team at 12Stone. My daughter's first job was babysitting at a small group he led. He and Katelyn have meant a lot to our family over the years. He will be deeply missed.

“ Curtis was a good man, and truly one of a kind. He was a kind, caring father, brother, friend, and many other things to many people around him. I'm very thankful that God put Curtis in my life. I pray for God to comfort the family and friends who also mourn his passing with His peace that passes all understanding. I say a special prayer for his daughter, Jocelyn, to receive God's love and protection and be filled with the Holy Spirit to make it through her suffering.

*I'll miss you, brother. Godspeed.*
