“ You were there for me when my daughter passed, now you will be there for her...who would have known the impact you would make on my life when we met in 2009, a great friend, very outspoken, with a huge loving heart, and I was very fortunate to have met you... You made work fun, kept me laughing, kept me on my toes...I will truly miss you my dear friend.

“ The death of a love one is very painful. The wonderful memories with your love one is a fore gleam of what God has promised. The God of all comfort promises to bring you even more comfort in 1 Thess. 4:13, 14. There it explains if we have faith, we also have hope.
