“ My sincere condolences to your family, my heart goes out to you all in this time of sorrow. During times of grief it has given me comfort to read John chapter eleven where Jesus showed his power to resurrect our loved ones who have gone to sleep in death. Jesus also showed his tender feelings and compassion for the pain we experience, verse thirty-five says Jesus wept when he saw Mary and Martha and the crowd with them weeping. I hope this brings you comfort as it has for me.

ME

“ I am one of the many lives that was touched by your wonderful loved one. She will always have a special place in my life for taking a call that ultimately restored my sanity and helped me through the darkest time of my life. Without her calm reassuring voice, I don't know how much longer I would have continued on the path I was on. I am sorry I can't be there but wanted you to know that I am thinking of your family in this time.

Sincerely,
Melissa
