“ Dear Family,
We are deeply saddened for your lose of your dear loved one in death. During the destressing Times, We hope you find comfort in what the Bible says at John 11-14. Jesus describes death as sleeping. We gained this consequence due to Adam and Eve's disobedience and the consequence was clearly given at Genesis 3:19 that we would return to the ground when we die. We look for the hope of a resurrection that will be in the future. Where all our loved ones who have died will be brought back to a paradise earth. We see in the Bible how Jesus resurrected individuals such as Lazarius, and a 12 year old girl. These examples show us that Jehovah God wants Jesus to bring back our loved ones to us and put an end to death. John5:28 and Revelations 21:3,4 help us to understand what will happen in the future and the hope we have. I hope that your family finds comfort in our words and we are praying for you and your family.
