“ *good morning friends and family of daisy gentry, i send my grandest condolences. i know that this stage must be hard to endure. losing a loved one in death is unbearably difficult, however i came to share some uplifting news. many people believe that we may never see our dead loved ones again. but if you turn to john 5:28,29, it mentions that those in the memorial tombs will come out! so we have the chance of seeing them again. and in revelation 214, it mentions how God will wipe away death!! how comforting!! i hope that this helped you :) may you have a good day and we will continue to pray for you*

“ I am so sorry for your loss. Your tears are seen from God above and he makes a promise at Revelation 21:4 that soon death will be no more. He will call out to your precious Ms Daisy and she will wake up. The effects of death will be reversed and you will be able to hold her once more. That is a promise from God!
