“ I’m so sorry to hear the loss of Dale, I went to high school and graduated with Chris which I am sure he’s one happy man getting to see his mom, I would like to let the family know they are all in my thoughts and prayers.

“ Dale was so special to me to not be family. I met Gena and Tracey because of Dale and learning to hang wallpaper. We had so much fun “back in the day” at her house in Sugar Hill. The Creek house visits with food, and family will always be a special memory. Not to mention, sleeping in the CLOUD! May all of you feel the love and comfort of family today. I’m playing the song: You’re Gonna Be Alright and remembering all the good times. What a sweet reunion it must have been to see Chris again. I love you all. Glenice Parker

“ Dale always had a twinkle in her eye a smile on her face a seat at her table a cup of coffee and stories about her family. Ronnie and her family were the most important things in her life. She had a life well lived. My heart aches for those she left behind but rejoices knowing she is at peace with Chris and of course Cicero. Miss you Dale. Flynn
