“ Dana was the sweetest friend to my mother, and went out of her way to pick mom up and drop her off when I couldn't make it to Bunko. As busy as she was with her own family, she took time to create a yummy meal when I lost my love, and sat and talked with us. So giving and kind, the embodiment of a Christian Proverbs 31 woman. The world is a darker place without your light, but I am assured that Dana rests in the arms of her loving Savior. Our hearts go out to her family, friends, coworkers, and all who had the pleasure of knowing her.

“ I knew Dana from Ivy Creek Baptist Church and the First Baptist Church of Buford where we both taught the little ones. What a wonderful, caring and compassionate lady she was. She always had a word of encouragement, a beautiful smile, and a deep-rooted love for family, friends, and God. She will be greatly missed and fondly remembered. I pray for her family and friends as we face life without her. I am so thankful for the promise we will see her again.

“ Dana took me into her arms and family and made us part of her family! We shared so many fun times and memories together with all our families!! From racing, to the beaches of Daytona and so much more. Memories I will never forget. Having Ruby Grace born and Aunt April loving her as my own too!! There isn't a time I had surgery that Dana was at my house with food and love. Just her pure nature of love that she exhibited to everyone. A hole in my heart is left missing my dear friend!! Love and prayers to the entire Breedlove family!!

“ I taught with Dana in the twos at Buford FBC preschool. We loved to laugh together and enjoyed all of the children's smiles. She was always able to comfort any child with open arms. She loved every little one as if they were her own. She was a gift to know and work beside. She will be very missed here on Earth. I know she is singing in Heaven as we loved to sing to the kids. My heart aches for Todd, T.J. & Amber, Ruby Grace and her grandson. She loved to talk about her family and her love for you all was so Faithful and strong. I am so very sorry.

If you were blessed enough to know Dana then she was your friend. I had the privilege of knowing my sweet friend for most of my life, we shared tears, laughter and everything in between. I asked her once, how do you know everyone's name/who they are related to, no detail was to small, she told me because God made them, they were all of value. Dana was truly one the my kindest and dearest friends. What we lost today Heaven gained. I can only imagine what your first day in Heaven was like today. I'll love and miss you till I see you again.
