“ So sorry for your loss. I remember working with Daniel. He was always very nice to me and always smiling. I can't begin to think what ya'll are going through but just to be a small part of your life is special. Ya'll are a wonderful loving couple and Charles loved getting to know you when we worked together. You are a very special man and loved getting to know Doris a little later. You are a wonderful woman. My prayers are with ya'llTSH
