“ *My husband Clem and I heard about Dano's passing after the funeral. We wanted to express our sympathies. Dan finished our basement and built an addition onto our house. His creative design ideas were incredible and we have our dream house thanks to him. He was too young to go. We really thought of him as a friend and we're deeply saddened. His memory will live on forever in the amazing work that he did for people. You should be proud of him.*
