“ Dan,
My friend and my teammate. I will miss you. You never said a lot but you always led through actions; on and off the field and court. I pray for your family that God will comfort them in your absence. You are missed. -Mason Mobley.

“ Sending heartfelt condolences to the family, especially Audrey and the children. To Nita, Michelle, John, and Christopher know that the peace of God which passes all understanding is able to keep your hearts during this difficult time. While we mourn Daniel’s untimely passing, we can be so grateful that God has made a way through his Son Jesus Christ to give us life eternal. Your family on the West Coast is praying for you all.

Love,
Cousin Charlotte

To every time there is a season. Several years ago I was in Atlanta at a conference. Daniel and I were to meet for a meal. For some reason that did not happen. Nonetheless, you will always be remembered as my little cousin who was very bright with a very promising future ahead. Your parents were so proud of you. Life doesn’t always conclude as we anticipate, but God is never taken by surprise. His ways are not our ways, nor his thoughts our thoughts. Blessings to your siblings and all other family members and friends. Our prayers are with you.

Love,
Your 1st time,
