“ Uncle Tony, thank you for all the love and support you gave our family over the years. You are my mother's brother and we're such a phenomenal Uncle. Some of my fondest memories are visiting our grandma and grandfather, in Georgia, and visiting you and Rosemary. I remember running up-and-down the stairs at your house with Wendy, the fantastic Thanksgiving dinners, and all the laughter we shared together (I loved when we all ate together at PoFolks). You were always so kind to Ryan and I, and we loved being part of your life.

*I remember walking near the Creek in the backyard of your house and I always thought it was so cool that you lived on a steep hill. In Miami, everything is so flat. Those are the times we will cherish.*

*I know my mom loved you so much, and always spoke of you, so highly. You were one of her heroes. I hope there truly is a heaven so you and her can reunite again. We miss her so much, as we will miss you tremendously. I hope you rest at peace and your memory will always be with us. We love you.*

*Love Jackie, Joe, Savannah, and Troy Ferrer.*

“ I'm so sorry to hear Tony passed away. I still remember exactly how he sounded when telling Wendy and I to be careful around/in the pool at the house in Norcross. Long time ago but I remember that that and he liked classic cars. Lots of love and prayers for the family.
