“ I just found out that Danny died. I have known Danny for 40 years. I was in Boy Scouts and he was my Boy scouts leader and a great leader. Even through the years i would keep up with him by calling him and e-mailing him. He was a great friend to me and everybody. He ALWAYS loved people cared about them. You could tell he also helping the disabled and everything else he did. He was always so full of life and always listened to you. Well miss you, Danny!

“ A great man went to be with our Heavenly Father 4-03-2020 three short of his 79 birthday. I met him back in the 1980's we traveled together doing wheel chair sports lot of fun times he would always win medals in events. He enjoyed helping people and did so many years through his non profit "Ramps for Champs" many disabled persons now have a safe ramp for there home because of Danny Overstreet. He loved people and always made friends where ever he went. He always talked about his family and how proud he was of them. Danny was a True Friend for me. I love and miss him but know he is walking with Jesus. God bless your family. David Perkins

“ I am deeply saddened to hear that Danny has passed away. He was a tremendous human being. He did so much for others. What he did for me personally is beyond measure. My life was much richer because of him.

My heart goes out to his family. My thoughts are with you.
