As I stroll to where I must go...

I keep my word, you should know...

Spinning around, I stifle a scream,

Suddenly I wake, it's just a dream.

But it isn't so, I have the scars to show...

In fact it was real what I've seen and what I feel.

Tammy and Ronnie, we were neighbors for 46 years and I have fond memories of Daniel and my grand daughter Christy Head being friends. I still have the tag to some of her Beeney Babys Daniel pulled off when he got mad at her. Ha
