“ I am so sorry for your loss. May God comfort your mourning hearts. I pray that you find comfort in Revelation 21:3-5. This scripture paints a picture of a world that is very different from what we see today. A world with no more sickness, pain or death...and it is not a dream, it is a promise from God. He promises to reverse the effects of death and resurrect your precious Danielle. You will never have to say a painful goodbye ever again!

We are so sorry for your loss. I had the pleasure of serving one of the classes Danielle attended at MCHS. She had an incredibly beautiful, kind, and gentle spirit. Her faith and compassion for others was so evident in her every thought and action. What a great loss to our community and example for her generation.

“ My heart breaks for all of your family. While we know Danielle is home, she is still missed by all of those who remain here on Earth, especially her family. I cannot imagine what you must be going through. If there is any comfort at all, it is in knowing that one day you will join her there, with the Father. I am praying for comfort for you in the days to come.

“ There are no words - none - that can express my feelings or help your heartache. I'm numb whenever I think of your daughter, sister, child, friend who's life (as we know it on this earth) was cut so short, too short. Only God can explain, so I won't try. Tears in my prayers; thoughts of your family each time my mind goes blank. Agape' - Much Love.

“ Lord, Please give Danielle's family peace and comfort in the loss of their love one Danielle. Wrap your loving arms around them and let them feel your presence. Danielle, I remember having good conversations at school with you. You always had a kind and sweet spirit. Then seeing you working at the movie theater, it was neat seeing past students working. You seemed to really enjoy being there. I will miss talking to you when buying my movie ticket. May you rest in peace.

“ To Eddy and family,
I have never met your wife or your family but I know that if they are anything like you are, they are all very special. I am so terribly sorry for your family's sudden and awful loss of Danielle. There is no bigger loss than losing a child so lean on your faith, family and friends to get you through this very difficult time. Grief is so overwhelming but may you find comfort in the incredible life that she lived in her short years on earth. Only the good die young and I truly believe God needed another angel so he called her home. You are all in my thoughts and prayers in the coming days and weeks ahead ...
