“ *Just found out recently that Danny had passed away. My thoughts & prayers are with you. I considered Danny a friend that I got to know through business. We often would meet & before we knew it over an hour had passed. We would talk about business some but more of our conversation was about family & sports. When both of my girls were born Danny was one of few customers that I contacted. I know he is missed & will be missed.*

“ To Beth and Family: I am sadden that Danny is no longer with us on this earth, but comforted in knowing he is with the Father in Heaven and no longer having to deal with this terrible disease. I had the good fortunate to grow up with Danny as one of my best friends. I will never forget moving to Sugar Hill as a middle schooler not knowing anyone and Danny making it a point to seek me out to make sure I was included. Until the end Danny conducted his life with dignity and class. Lord, thank you for bringing Danny into my life. He was truly a blessing to me and many others.

“ Dear Brogdon Family,
I am sorry to hear about the death of Coach Brogdon. He was my 8th grade football coach and what a great teacher he was on the football field. He inspired me to be the best I could be with the gifts I had. Your lost is Heaven's gain. I pray you will be comforted during this time of grief and encouraged that soon you will see him again.

“ *Beth and kids, Clay and I have been praying for Danny and now praying and lifting you up in prayer at this time. I always loved our conversations about Education. He will be missed! He is now home and no more pain. I'm sure he has already run into my dad up there and they are having a good time! Let us know if we can help we are still just around the corner.*
