“ Darrell was my next door neighbor for 26 years we friends, we hunted together, we cut wood together, we worked on cars together, we fished together, we had many lone talkes together in my front yard! After Darrell and Tina moved off, i don't guess I have seen him sence, you miss just talking to your friends, I guess the key word in my message here would be "Together " RIP Darrell. I will miss being Together with you!

*Darrell was my classmate at Lone Oak High School in Paducah, KY several years ago. We were scheduled to have our 60th class reunion in 2020. But the virus □ controlled all that year.*

*He was always friendly and kind.*

*And he was a member of a family which was a pillar of the community.  
Condolences.*
