“ *I was first acquainted with Darren several years ago. He was such a nice person and a really good photographer as well as very focused on his goal to become a teacher. I knew he had been sick but I didn't realize he had passed until now. This world was a better place with him in it and I will definitely miss the occasional meetings at Starbucks for coffee and hours of intelligent conversation about photography. He truly was a super nice guy. My deepest sympathy goes out to his family. I'm very sorry for your loss.*
