“ Dave and I met a few months ago and we connected right from the start. Dave was such a gentle, kind and caring guy. Always concerned with the way I felt, my feelings and my happiness. There wasn't a morning or evening that went by that I didn't get a text telling me Good morning and Good night and hope I was doing good and to have a great day and I was in his thoughts and prayers. He was always there to listen. I saw him Sunday evening not knowing it would be the last time on this earth. He sent me a text at 7:30 Tuesday morning not knowing that would be his last text to me. I will miss him but I know where he is and I will see him again. Until then RIP my sweet dear friend.  
To the family; Dave talked all the time about you all...he loved his Tuesday night dinners and the family time. I am so sorry for your loss and a great loss at that. May God send you peace and comfort is my prayer. Dave loved you all.

“ My husband Chris has worked with Dave for many years at the City of Buford. Most days he would go out to the shop during his break & or end of day as he works with the Gas Dept. & he would just talk with Dave about cars, etc. They have known each other most of their lives as Chris grew up with the Key Family. It hurts me to see him mourn the loss of a best friend. There's been many, many times Chris would be on his cell phone & I'd ask "who are you talkin' to?" & it would be Dave. I'd just say tell him I'd said "hi!". Dave has always been a spiritual & kind person which is hard to find nowadays. He will be greatly missed in our lives. I believe he went into the light because he loved the Lord so much!

“ I have many fond memories of Dave. He was a classmate from the time I was 8 and every time I think of him the word gentle comes to mind. He was just that a gentle soul that loved God and loved people. My prayers for his family as they go through this valley. I know Dave is in the presence of Jesus and our Comforter will see his family through.

“ I only had the pleasure of knowing Dave for about 8 months. We packed a lot of living and loving into that short period of time. Dave was 1 in many million and a beautiful soul. I miss him tremendously. If there was anyone ready to go home to Jesus, it was Dave. He is collecting his inheritance which is well earned. My heart aches for the giant hole he has left in mine and his family and friend's hearts.
