“ *Our prayers go out to your family. We personally never got the chance to meet Dave but have met his mom and dad and are very good friends with his brother Daniel. Daniel, if there is ANYTHING we can do for you or your family just let myself or Levi know, we would be more than happy to help however we can. We know you will miss him. We love you Daniel, GOD BLESS*

“ *Thinking of Dave's family at these sorrowful times. Dave and I went to high school together and though I hadn't seen Dave since then I remember his sense of humor and how we hit it off so well. Rest in peace David.*

“ My deepest condolences for the loss of Dave. I only met Dave once a few years ago when he was in Cape visiting Daniel. He talked to me like he knew me for years. I consider Daniel as one of a handful of lifelong friends and feel the loss of Dave in my heart. I know that he touched so many lives and will be missed by all.

“ I worked with David at a Rhodes Oil Company Convenience Store back in I think 1981.  
The store was just down the street from where he lived and David and I would sell alot of gas, soda, and snacks.  
He was a pleasure to work with and will be missed.
