“ *Dave & Karen have been friends for almost 50 years....and Karen even longer than that! We will treasure the time spent with them, especially the time we all spent in Hawaii a few years ago. Dave loved to snorkel and knew all the good places. Our family uses his phrase, “Oh yeah!” all the time with great affection. We will miss him!! Our love and prayers are with Karen, Bryan, Jamie and their boys, Todd, Amanda, and Sierra, and Doug and Nancy and their family. We look forward to spending time with you in Georgia in a week or so. We love you and consider you part of our family! Steve & Cindy Jenkins*

“ Dave & Karen have been good friends for over 20 years. Dave was a great encourager to us and to his family. He was continually bragging (in the best way) about Karen & their sons Brian & Todd. He was so proud of them & their growing families. Dave had a wide circle of friends and a variety of interests. We are so blessed to have been part of that circle. Dave had a fun sense of humor & infectious smile. We miss him but take comfort that he is in the living arms of Jesus and that we will see him again.
