“ *David you surely will be missed. It was a pleasure knowing you and your family. We all had some great times at Yonah Mountain Campground with all the fun activities and fishing there in Georgia. Del loved having you and JR as fishing partners and good friends. We will always remember you for the wonderful man you were. We send our love and prayers to your family.*

“ *Bubba I'm going to miss you calling me up and talking we would just listen to each other's problems. We talk a lot about mama how hard it's been losing her. We talk about your kids your grandkids how proud of them. You were a good man always watching out for your family after daddy passed you took the role of head of the family I don't know who can fill that role now. You've been suffering a long time brother but not anymore all your pain is gone now you can rest with the Lord till we meet again. Bubba love you.*
