“ I met Brian many years ago at the Gainesville Walmart when he was department manager in the meat department. He worked his way up to co-manager when I left that store. Then I worked for him at the neighborhood Walmart, where he was the store manager. Brian led by example. I've seen him work freight as hard, if not harder than the associates who worked for him. Many times I've seen him in the parking lot getting buggies and pushing them to the cart coral. Brian was one of the good guys, and I'll miss seeing him at the store, My heart goes out to all those who loved him.

“ Brian has fulfilled the roles of mentor, friend, and supporter in my life since 2015. His influence touched the lives of everyone he interacted with. Walmart has been and continues to be his family. I, like many others, will miss him profoundly. He represented the father figure I never had.

“ I first met Brian when he came to Walmart #510 in GAINESVILLE Ga as a meat cutter many many years ago. He was my store manager for the past 7 months at #2699 Walmart Neighborhood Market and was one of the greatest managers you could have with a heart of gold. He will definitely be missed by so many.
