“ Heaven is surely in stitches on this beautiful day. I can just see him walking in with his hands out to the side making the following announcement....."Hello Darling.....its been a long time" or "I'm here let the good times roll hubba, hubba, hubba". What a joy and shining light he was for so many. There was no way cancer could keep him down.....there was simply too much light in him. I loved him so! Thinking of you with love,Daphne Seybert,RN

“ Mr. Herrin was always kidding around even when he didn't feel so well. When he came in for appointments he would also sing to us at times. I will always remember his smile and kind spirit. I wii certainly miss him.
