My condolences to the family. I'm just finding my friend passed. David was my friend I haven't seen in years. We attended Lakewood school 🏫, from Clifton Ave grade school to Lakewood high. We came together on FB about 12yrs ago, from there we spoke on the 🗣️. David is and was a great human, and will always live in my heart. RIP my friend.

“ I'm saddened to hear of David's passing. David has been a friend for many years, since high school. I'll miss the days of playing tennis and just hanging out together. Unfortunately, with the passing years and everyone living their lives we didn't make time to get together and catch up. My regrets....My condolences to the family. Rest In Peace my friend. You will be missed.

To David's Family

David's at peace now. You can take solace in that. I am praying for each & every member of his family. David was a neighbor when we were growing up. He was always respectful. I remember his dad, & his grandfather raising David. We'll miss you David, & going to the tennis openings in NY. Take your rest. Linda & Melvin Sharpe
