“ *When I read that he had retired from AT&T after 36 Years of Service, I, too, (Wendell) had retired from Boeing after 36 years of service. We hadn't had the privilege to really know him but I had talked with him at Tom's Wedding many years ago. No one really thinks of these moments until it happens - He will surely be missed by all who were there that had the opportunity to spend time with Dave and Susan.
Our sincere condolences to all in remembrances.*
