“ I have been knowing David and his family for around 46 years. I went to the same church for several years and had a great friendship with them. When the time came for me to move to another church for a new season, we still remain friends over the years. There are so many things that could be said about David. He was very friendly, joyful, had a good smile, loved a good joke, valued people, and was a great supporter and encourager to me. During this time of sorrow, it is with great joy knowing that he is in Heaven with God, Jesus, and those who have gone on before him. David will truly be missed.

I have known David Smith and family for 53 years he was a great father example for me he loved God family and life psalms 29 verse 11 the Lord gives his people strength, the Lord blesses his people with peace I am a better person for knowing him and miss the sturdy hands of kindness he welcomed to me into his church and said let's go anytime he taught me that life without giving is like being alive without living I will always remember that he was more than just a friend and I will always love him Charlie
