“ *Dave was a great guy to be around. Dave and I reminisced about the old days of Delta. My dad moved us into the Jamestown apartments in College Park back in 1963. Apparently we both lived there around the same time. Dave gave me an old picture of a Delta 880 which my dad flew. God bless Dave Steerman.*

“ David came into my life as a young boy. And I can remember making sure he had his bath at night, getting glass out of his feet, fixing his hair for school, and doing homework and staying out of trouble with brother Joey and friend Bobby. I will miss you my sweet David, so rest in peace until we meet again.

“ I have known David for most of my career at Delta. He is a kind and dear friend, whom I already miss sorely. That smile of his will never be forgotten. David and I talked of Spiritual matters often, and I know in my heart that he is in the Arms of Jesus. It will not be that long until we see our brother again.

*He which testifieth these things saith, Surely I come quickly. Amen. Even so, come, Lord Jesus.

“*Now this I say, brethren, that flesh and blood cannot inherit the kingdom of God; neither doth corruption inherit incorruption. Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed, In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed. For this corruptible must put on incorruption, and this mortal must put on immortality. So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory. O death, where is thy sting? O grave, where is thy victory? The sting of death is sin; and the strength of sin is the law. But thanks be to God, which giveth us the victory through our Lord Jesus Christ.” 1 Corinthians 15:50-57*

This is not the end for Dave, but merely the beginning. Dave is now 100% victorious in and through his Lord Jesus Christ. I look forward to working with Dave again one day in the Kingdom of God, if just only to see that friendly smile once more.

*Be blessed old friend, See you soon,

“ Into my heart an air that kills
From yon far country blows:
What are those blue remembered hills,
What spires, what farms are those?

*That is the land of lost content,
I see it shining plain,
The happy highways where I went
And cannot come again.*

A. E. Housman (1859-1936) I think everyone at Tech Ops that knew him will agree that Dave was A great guy. Rest in peace.
