“ This obituary is spot on who Deann was. One of my memories of her is one Christmas early when she and Tara came into our family, we attended the Christmas Eve Service at our Sugar Hill Church, The Lees took up a whole row of seats, she looked down the row and smiled so big , she was so happy to be a part of us. She loved life and anything that had to do with a family get together. She always had a smile on her face and she loved Danny as much as he loved her. We will keep these memories close to our hearts.
