“ I am so thankful to have known Deanna not only as a coworker but as a friend. She was truly one of the kindest people I've ever met. Fran, you are in my thoughts constantly, and I pray that you and Christy can find some comfort during this difficult time knowing that Deanna's soul is now at peace. Love you, friend.

“ Deanna had the kindest spirit and was always pleasant. I pray for strength for her mother, especially. They had the closest bond. Words can't express the sorrow felt for her mother. Their bond will live forever.

“ Deanna's passing is terribly saddening. I remember her as an intelligent, diligent, eager to learn, and pleasant to work alongside co-worker. My heart breaks for her family. May they feel the support of friends and community. May they find peace and comfort in knowing Deanna will be missed and always spoken of fondly. My deepest sympathy to her loved ones, friends and co-workers as they mourn a life far too brief.
