“ *I was shocked and saddened to learn of Debbie's passing. We went to Junior High and High School together in Endicott, NY. I feel fortunate to have chatted with her at our recent Reunion in August, 2011. She was a lovely and warm person. She will be missed. My thoughts and prayers are with her family.*

“ I was deeply saddened to hear of Debbie's passing last Friday. We worked together for years at Federated (SABRE Group, Macy*s) and even took a business trip together to Newark, NJ to do a presentation. We were on a team of 4 who won a 'Retail Innovations' award and had our picture in a magazine. We spent a lot of time together on projects and in the breakroom at lunch time. Debbie got me to bring my lunch more, instead of going out for fast food. It's funny, the things you remember, and I think of her fondly. She was a perfect combination of strong, sweet, friendly and kind in the workplace. The world will miss a lovely woman. Prayers go out to all her family and friends for peace at this untimely loss.

“ *Dear Debbie,*

You were among the people who was here at Macy's (formerly FSG, nee Sabre) when I walked in the door 19 years ago. Thank you for a holographic dragonfly sticker I still have on my name plate from two buildings ago. Thank you for your special cookies, for Spiedies, for kindness... thank you for Rock Band, for home theater tips. We shared the same birthday so we always wished each other Happy Birthday... and we worked together for many years. We will always love you and miss you.

Love, Steve Fitzgerald :)
